Call for Donations for a Silent Auction

The 2016 Plains Anthropological Conference (PAC) organizers request your help in gathering donations to support our students! The silent auction will be held during the 2016 PAC with proceeds going to the society's student scholarship fund. We are getting things started by asking interested conference attendees to email Amanda Renner (Amanda_Renner@nps.gov) or plainsconference2016@gmail.com by Sunday, September 18 with an item or two that you are willing to donate. In your email please provide a brief description and image of the item. Donated items should be of general interest to the conference membership and represent your interests and/or your affiliated institution. The auction will open Thursday, October 13 and close on Friday, October 14. All registered conference attendees will receive a number to use for bids if they choose. We will return any unsold items at the end of the conference. Thank you in advance for your support!
