PAS PRESIDENT EXPECTATIONS

- I understand that the term of PAS President is three years (one year as President-Elect, an *ex officio* Board position, followed by two years as President).
- I recognize the importance of attending the Plains Anthropological Conference during the election year and the following three years of service (four years total).
- As President, I will organize and run meetings as needed, including virtual and in-person gatherings before and during the annual PAS conference.
- I will communicate and work with regular and *ex officio* members of the Board of Directors (BOD), conference organizers, and others to resolve PAS issues and implement my priorities.
- I am cognizant of the commitment needed to serve as PAS President.
- I understand that taking on the role of President of the Plains Anthropological Society will require sometimes significant dedication of my time, particularly leading up to and at the annual meeting.
- I understand that in this position, I will be expected to lead the organization, in conjunction with the BOD, and will work to my utmost ability to fulfill this obligation with the best interests of the Plains Anthropological Society in mind.
